Discussion of sub-committees

Lisa shares concerns

- Ways the political administration has changed, and current school climate
- Ways the rezoning of our area has affected PS 3
- Ability to take out of zoned K students (must ask permission from the DOE)
- Lower grade classes are manageable, upper grades are over-full. This is not economical for the school. Upper grade classes are help funding the student population.
- Self-contained classed are underfunded until enrollment is confirmed.
- Budgets are changed at the end of October when enrollment is confirmed.
- Enrollment is a long term issue.

Budget/Size Committee
